

VBI Initiative: 2021 Progress and Key Milestones

Five years after the introduction of Value-based Intermediation (VBI) in July 2017, Malaysian VBI community has made significant progress and steady growth. In 2021, the community has achieved the following progress, premised on four key themes.

From October 2020 to September 2021, a total of RM146.6 billion has been intermediated by the banks in VBI-related activities and over RM65.2 million has been distributed under Islamic social finance.

The infographic is adapted from VBI Full Report 2021
